Your generosity will fuel the growth and sustainability of our programs, providing essential support for participants and ensuring the continuation of our mission. Planned gifts help bolster our scholarship program, allowing those needing financial assistance to participate without the burden of economic barriers.

Together, we can create a future where everyone can thrive and achieve their fullest potential regardless of ability.

# A LEGACY PARTNERSHIP

## JOIN US IN MAKING A DIFFERENCE

Over the past 40 years, we have grown from offering a single program to providing over 20 year-round adaptive recreation, adventure, and education programs. In the last fiscal year alone, we served 5,500 participants through over 30,000 transformative experiences.

Additionally, we provided over \$640,000 in scholarships to those seeking financial assistance, ensuring that financial barriers do not stand in the way of anyone seeking the empowerment and joy our programs offer. Our long-standing commitment to inclusivity and excellence continues to significantly impact the lives of individuals of all abilities.

You can partner with us in our mission and legacy by including the National Ability Center in your estate plans. Your planned gift will help sustain and grow our mission, empowering individuals of all abilities for future generations.
